

French Revision Guide

Advice for Exams:

- Don't panic
- Read the questions **carefully** - highlight key words
- If the question is in English, then you answer in English
- If the question is in French, then you answer in French
- In the Listening, use the 5 minutes reading time wisely.
- In the Writing, make sure that you are constantly referring to the "TRACTORS"
- In the Speaking exam, use the preparation time well, and in the exam listen to the questions
